SUBJECT : Further Background on "Human Skills"
for Overt Collectors.

1. With reference to our conversations on this subject, I am attaching herewith some additional documents on the background for Intelligence Community interest in "human skills" training for overt collectors. The documents are:

a. PFIAB report on human sources. This report is somewhat dated but it still is a basic guideline for human sources activity, especially with the overt agencies. You may be interested in the sections starting on page 10 and page 45. The document is still considered particularly sensitive.

b. A letter from [] Chairman of the IRAC R&D Council, to the DCI and the DCI's reply. This exchange supports human skills training of overt collectors.
